Teaching Methods

The Direct Method will be the primary method used to teach this unit. The classroom environment will be created to encourage total immersion in American Sign Language and non-verbal communication. All classroom materials such as pictures, videos, and other media will emphasize the use of ASL. All assessments will use ASL as well.

The Communicative Language Teaching method will also be used to teach this unit. The goal will be to use paired, group, and class activities to encourage students to communicate and negotiate for meaning. Form-focused lessons and corrective feedback using elicitations and metalinguistic clues will be done through interactive online modules on Canvas and activities in class.

Materials and Equipment

- Roster with student birthdates from class #6
- Keynote presentation for class #12
